APPLICATION

The Icon Pendant series features curved molded glass shade for decorative area lighting. INC Series is designed for indoor damp locations.

FEATURES

Speclume series fixtures offer contemporary style with functional luminaire performance. Icon pendants are available in 7" and 12" sizes. Decorative elements are available on some models. Separate finishes may be chosen for fixture and mounting. A variety of mounting and finish options available.

FINISH

Multi-stage polyester powder-coat process applied on our dedicated paint lines. A wide variety of standard and custom finishes are available. All exposed materials are chromate pretreated to resist corrosion.

ELECTRONICS

E26 Edison medium base 120V socket for incandescent or LED lamps. Contact factory for other available socket options.

CONSTRUCTION

Fixtures are spun in our factory from 0.063 high purity aluminum. Shade is heavy wall molded cased glass with white opal inner layer and Custom outer layer.

CODE COMPLIANCE

BAA compliant. ETL certified to meet US and Canadian standards. Suitable for dry or damp locations. Manufactured and tested to UL standards No. 1598/8750
