EP-INC INTERIOR/EXTERIOR

APPLICATION

Espresso is a popular European styled pendant fixture. INC Series is designed for indoor damp locations or outdoor wet locations.

FEATURES

Speclume series fixtures offer simple contemporary style with functional luminaire performance. All fixtures are designed and manufactured in our factory. The wide range of combinations for illumination, mounting, enclosures, guards and finishes allows for creative fixture specification and design. Fixtures may be wall or pendant mounted with standard or custom wall arm (goosenecks) and pendants.

FINISH

Multi-stage polyester powder-coat process applied on our dedicated paint lines. A wide variety of standard and custom finishes are available. All exposed materials are chromate pretreated to resist corrosion.

ELECTRONICS

E26 Edison medium base 120V socket for incandescent or LED lamps. Contact factory for other available socket options

CONSTRUCTION

Fixture shades are spun in our factory from 0.063 high purity aluminum. Gaskets are machine cut neoprene.

CODE COMPLIANCE

ETL listed for damp locations. Optional Wet location. Manufactured and tested to UL standard No. 1598.
